Business: The group's principal activities are to provide financial services and insurance products such as variable annuities and individual and corporate owned life insurance. The group is organized into three reportable operating segments: investment products, individual life and corporate owned life insurance ('coli'). The investment products segment focuses, through the sale of individual variable and fixed annuities, retirement plan services and other investment products. Through the individual life segment the group earns fees, based on policyholders' account values, for managing variable annuity assets and maintaining policyholder accounts. The group includes in 'other' corporate items not directly allocable to any of its reportable operating segments. The group is a wholly owned subsidiary of hartford life and accident insurance company.
