Business: The group's principal activity is to provide global payment service. The group operates three segments: global fund transfer segment, payment systems segment and travel and recreation services. The fund transfer segment provides money transfer services, money orders and bill payment services. The payment systems segment provides financial institutions with payment processing services, primarily for official checks, and with money orders for sale to their consumers. The travel and recreation services segment operates tours and charters in Canadian Rockies, conducts hotel operations and snowcoach tours of the Columbia Icefield and offers gondola rides of sulphur mountain. On 30-Jun-2004 the group spun-off from viad corp.

Business: The group's principal activity is to operate its electric transmission and distribution system in northern west Virginia and in an adjacent portion of Ohio. The group owns generating capacity in west Virginia and Pennsylvania. The group operates in two segments namely delivery and services and generation and marketing. The delivery and services segment comprises our regulated electric and natural gas transmission and distribution operations and includes other unregulated operations. The generation and marketing segment develops, owns, operates, and manages electric generating capacity. As of 31-Dec-2003, the group served about 397,000 electric customers and 230,000 natural gas customers in a service area of about 13,000 square miles with a population of about 1,223,000.
