Business: The group's principal activities are to manufacture, sell and maintain new and retread tires to commercial and industrial customers. The group operates in two segments namely the manufacture and sale of precured tread rubber and equipment and sale and maintenance of new and retread tires. The company and its licensees have 1,020 franchisees worldwide, with 33% located in the United States and 67% internationally. The traditional business can be divided into two main areas: manufacturing the tread rubber and bonding the tread to a tire casing. It manufactures over 500 separate tread designs & sizes, treads specifically designed for various applications, allowing fleet managers to fine-tune their tire programs. The group also offers tire management services including line of new tires and 24-hour road service and alignment.
