Business: The group's principle activity is to bottle, market and distribute natural spring water under the eldorado artesian spring water brand and rents water dispensers. The group owns and operates a resort on its property during the summer months and rents a single-family home. It also operates a natural artesian spring pool. The group sells spring water directly to home and business, retail grocery stores and distributors located in Colorado. It also sells water at wholesale to retail food stores packaged in smaller, more convenient sizes, which are suitable for retail distribution. The group operates solely in the domestic market. The group operates from United States.
