Business: The group's principle activities are to provide category management services and distribute pre-recorded music. It operates through two segments: handleman entertainment resources ('h.e.r.') and north coast entertainment ('nce'). The handleman entertainment resources segment distributes pre-recorded music and provides category management services to mass merchants in the United States, United Kingdom, Canada and only category management services in Mexico, Brazil and Argentina. As a category manager, the group manages an assortment of titles to optimize sales in retail stores and provides direct-to-store shipments, marketing of the selections, in-store merchandising and product exchange. The north coast entertainment segment provides music and video products. On 11-Dec-2003, the group completed the sale of anchor bay entertainment business unit, within the nce segment, and now operates only through the h.e.r. segment. Customers include wal-Mart and kmart corporation. The group's total revenue for the year 2007 was 1,324.48 millions of USD.
