**Business:** The group's principal activity is to provide Internet connectivity solutions to business customers. It delivers these services through its 29 network access points, which feature multiple direct high-speed connections to major Internet networks. In addition to connectivity solutions, the group provides complementary managed Internet services, including content distribution, virtual private networking, managed security, managed storage and video conferencing. The group provides services to customers in various industry verticals, including financial services, media and communications, travel, e-commerce, retail and technology. As of 31-Mar-2004, the group provided its services to over 1,709 customers in the United States and abroad, including approximately 70 customers in the Fortune 1000 companies. The group acquired netvmg inc on 01-Oct-2003 and sockeye networks inc on 15-Oct-2003. Primary SIC and add'I.: 7375 4813 7372

Business: The group's principle activities are to develop, manufacture, and market proprietary, cost-effective absorbent products derived from waste wood fiber (cellulose), a by-product of the pulp and paper manufacturing process. The group operates principally in two business segments: the animal care industry and the industrial products industry primarily in the United States. The group's environmentally-safe, non-toxic, lightweight products are utilized in a broad range of industrial, agricultural, and consumer applications. These applications include commercial/retail animal bedding and litter, oil and hazardous spill cleanup and control, oil/water filtration, and packaging. The group's trademarks are absorbent gp(tm), absorbent w(tm), spillsorb(tm), and spill-dri(tm). The products of the group include carefresh, agrafresh, catworks, ecofresh, spill-dri, and spillsorb, healthypet, ecofresh and hazpak. The group's quarterly revenue for September 2007 was 9.03 millions of USD.
