Business: The group's principal activity is to generating and distributing electricity and natural gas. The group operates in three segments: electric, gas and nonutility. The electric business generates and distributes electricity and contracts for transmission service. The gas business purchases and distributes natural gas and contracts for the transportation of natural gas. The nonutility energy business constructs and owns new electric generating capacity. At 31-Dec-2003, the group supplied electric service to nearly 132,000 customers located in the cities of fitchburg, madison, middleton, monona and adjacent areas. On 31-Dec-2003, it supplied natural gas service to more than 129,000 customers in the cities of elroy, fitchburg, lodi, madison, middleton, monona, prairie du chien, verona, and viroqua; 24 villages; and all or parts of 46 townships. The group operates only in the United States.
