Business: The group's principal activities are to conduct touring exhibitions, television programs and market still photographs, coal and titanic-related products. The group obtains oceanic material and scientific data, which includes still and moving photography and artifacts from the wreck site of the titanic for historical verification, scientific education and public awareness. The group operates solely in the domestic market. The group is in a unique position to present exhibitions of titanic artifacts for viewing by the public. The group has presented exhibitions in association with third parties throughout the world and nearly fifteen million people have attended these exhibits. The company is now presenting its own titanic exhibitions in omaha, Nebraska and salt lake city, Utah. The pending openings during the summer of 2004 include manchester, England; philadelphia, Pennsylvania and shanghai, China.
