Business: The group's principle activities include developing, producing and marketing nondairy-frozen desserts and other foods products. The products are non-dairy, soy-based that does not contain butterfat, cholesterol or lactose. In frozen desserts wave cuties with three flavours, jazzy cutie, new version of beeter than cream cheese and sour supreme made with hydrogenated fat and potassium sorbate. During the year the company eliminated candy and nut products, slowing moving frozen desserts items. The products are sold and distributed by food brokers to distributors and on a direct basis to retail chain accounts. The products are sold through forty-two distributors in the national health food market. The company's registered trademark is tofutti(r). The group operates from Australia, Bermuda, Canada, England, Israel, Mexico and Panama.
